Dr. Barnum Assumes Pulpit in Palisades

Dr. Earl D. Barnum, pastor of the Church of Religious Science, Redondo Beach, has left his pulpit to accept appointment as minister of the Church of Religious Science, Pacific Palisades.

Boasting a membership of over 300, the Redondo church, which now occupies its own edifice located on a two acre site overlooking the Pacific Ocean, had 20 members when Dr. Barnum became pastor.

In the ministry since 1949, Dr. Barnum was past vice president and secretary of the International Association of Churches of Religious Science. For a number of years he was a member of the board of directors of

this organization as well as one of the I.A.R.S.C. staff, teaching practitioner and ministerial courses, past vice president of the South Bay Ministerial Association and designer of a special leadership course streamlined for modern day living.

In addition to his ministerial duties, Dr. Barnum was a Rotarian, becoming secretary of the Rotary Club in 1961. He spoke before many other business, professional and civic organizations throughout the area.

In March, 1962, upon completion of his 13th year as minister of the Redondo Beach Church of Religious Science, he resigned to engage in further research and study.

Narbonne Church Notes Anniversary

Sunday will mark the occasion of a double anniversary at Narbonne Avenue Baptist Church of Lomita. The church will celebrate its 18th anniversary, while Robert A. Wells, pastor will begin his 13th year.

The church, which began in a store building on Lomita Blvd. in 1944, now owns property on both sides of Narbonne Ave. at 248th St. Beginning with a charter membership of 13, the church asked their present pastor to assume his position in 1950 when the membership had reached 150. The present location had been selected and a store building with 4,400 square feet of floor space was in use.

Church membership has now passed the 1,000 mark, and the buildings contain over 28,000 square feet of space.

The church staff has grown to five. This includes a full time pastor for a Spanish Mission church in Wilmington. Two part-time employees complete the staff.

Missionary Tom Tipton of Tanganyika, East Africa, will be speaker for both the 8:30 and 11 a.m. services Sunday.

Mr. and Mrs. Tipton went to Africa as missionaries in 1959. Mrs. Tipton is the daughter of Ezra Dixon, employee of the Lomita church.

The pastor stated, "It is significant that our church will have a missionary speaker on our anniversary Sunday. Our greatest growth during the past year was in mission giving. At this season of the year we place emphasis on Foreign Missions. We are fortunate to have a Foreign Missionary as our speaker for this special occasion." The Women's

SMALL TIRES GAIN
Passenger car tires in the smaller diameter sizes are continuing to gain a large share of the retail market. The two most popular 14-inch, 4-ply tires — those with 7.50 and 8-inch diameters — accounted for 34 percent of all passenger car replacement tire sales in 1961.

DEEP IN TEXAS
The world's deepest oil well, in Pecos County, Texas, reaches 25,240 feet below the earth's surface. Nickel alloy steel drill pipe was used to reach that depth.
